

Zoho Expense

Zoho Expense is an advanced tool to monitor your business expenses. This tool from Zoho facilitates you with automated expense reporting. You can easily scan the receipts, convert them into expenses, and add them to your balance sheet.

Zoho Expense allows you to set your budget and spending rules to tighten reins on the company's expenditure. It integrates with a multitude of apps making implementation easier and faster without changing the existing ecosystem.

Key features to maximize your business using Expense?

Automated expense recording and analytics

Automated and simplified approvals

Auto-scan receipts

Multi stage workflow

Integration with Zoho CRM and Zoho Books

Multi-currency expense recording
